CONNALLY NOW FULL OWNER OF DEALERSHIP

Charles Connally of Connally Ford Sales announced this week that he had purchased full interest in the local business. The purchase of all Carmichael Brothers holdings has been made and approved by the Ford Motor Company.

Connally was employed by the dealership here in 1951. He has had an interest in the business for the past four years.

The operation will remain basically the same and no personnel changes are planned. The business also features the Mercury line which was added in 1960.

Prior to his association with the Ford dealership, Connally worked two years for Celotex in the early 1940's. He then worked in Civil Service for four years and was with an insurance company in Sweetwater before moving to Hamlin.

Mrs. Connally, the former Lucille Newsom, was born and reared here. She is now teaching in the primary school. Her mother is Mrs. W. E. Newsom.

The couple's three children are Mrs. James (Barbara) Woods, Eddie, 15, and Gary, 13. They have one grandchild.

In a statement this week Connally said, "I appreciate the business received in the past and will continue to give service to warrant your future patronage."

Years Ago...

FORTY YEARS AGO

Former District Attorney Joe C. Randel died at three o'clock Thursday morning after being shot through the head Wednesday afternoon, across the river, 12 miles north of Hamlin. The Judge was returning from Aspermont in a car with C. T. Clark, his son Virgil and S. P. Rudder. When they reached the cedar brakes and were just turning over a small hill North of the Brazos River two shot reports were heard and the occupants of the car thought a blow out had happened and Clark threw on his brakes and Rudder was about to get out when the younger Clark noticed Judge Randel lean forward with blood dripping from his head. They hurried on into Hamlin and then rushed Randel to the Stamford hospital. He died early Thursday morning. The assassin is not known at this time but every effort is being made to find the killer.

TWENTY-FIVE YEARS AGO

Gaylon Robertson and wife of Lueders were over Sunday to visit their parents, Mr. and Mrs. T. C. Robertson. They were accompanied by Mr. and Mrs. Keith of Lueders. Secretary W. E. Benson of the Hamlin Chamber of Commerce last Wednesday and Thursday attended the West Texas Chamber of Commerce Managers Association convention at Big Spring. M. T. York of Hamlin has purchased his second Oklahoma store at Sayre. He now has 15 stores in West Texas and Oklahoma. Dr. Turner Bynum is back in Hamlin among his friends after an absence of many weeks due to illness. He is feeling much better but will get further rest before resuming his practice.

FIFTEEN YEARS AGO

More than \$500 was raised this week by Hamlin business men and others to help finance the entry of a Hamlin team in the newly organized semi-pro baseball loop for Central West Texas teams. Also in the loop will be Stamford, Anson, Truby, O'Brien, Rochester, Wienert and Spur-Dickens. Hon. Jeff H. Williams, famous humorist of Chickasha, Okla., will be the speaker at the annual Chamber of Commerce banquet April 6, it is announced by the program committee. Mr. and Mrs. Fred Britton of Hamlin attended the annual convention of the Texas and Southwestern Cattle Raisers Association last week in El Paso. The major topic at the meeting was the foot and mouth disease.

TEN YEARS AGO

Pipe for the 21 mile Stamford to Hamlin water line is being put on the ground along the right away, according to Mayor B. M. Brundage. The line is scheduled to be completed about May 1. Hamlin Boy Scout Troop No. 43 won second place in district contests staged last week end at the Camporee on the Brazos River near Lueders. J. B. Terrell Jr. was elected president and Gene Witt secretary of Hamlin Rotary Club in balloting of the civic group. More showers fell in the Hamlin territory this week to bring the years total to 1.58 inches.

FIVE YEARS AGO

"June Graduate," a three act play to be presented by the Senior class Friday night, will include in the cast: Sara Kay Fomby, Eva Wallace, Joyce Grimm, Bob Carter, Elva Stuart, Joe Stephens, Whynama Hayes, Betty Teague, Lanier Foster and Richie Smith.

WHAT IS POOLING ?

In spite of all the jokes about "oil-rich Texans," most Texans aren't rich. Relatively few of them have even one oil well.

All Texans have a stake in the oil business, however, because it makes jobs, puts money into circulation, and pays taxes.

Texas oil operators have to compete with these in other states and foreign countries. This competition is tough and growing tougher. Improvements in production methods for greater efficiency are necessary in Texas. It is a question as to whether Texans prefer to do this job themselves or let the federal government do it.

Many of the most responsible people in the oil industry believe the Texas Legislature can solve some of the most troublesome problems by passing House Bill 510, an oil and gas pooling bill. "Pooling" in oil field language simply means putting separately-owned pieces of acreage together, sharing costs of drilling a well, and splitting any income proportionately.

A fair pooling law would create drilling blocks of uniform and proper size (according to the spacing pattern of the field). It would help the industry to cut down on unnecessary development drilling and thus free capital for more "wildcat" drilling. It would provide a legal way for landowners to divide their minerals in proportion to their holdings.

An outcry has been raised against House Bill 510 by the professional "small-tract drillers," who for many years have enjoyed the legal sanction to produce oil and gas which rightfully belonged to someone else. Advocates of pooling do NOT think that property rights should be confused with the "right" to take another man's property — or that free enterprise should cover the FREE CONFISCATION of another's oil and gas.

Contrary to claims of persons who, for reasons of their own, want to retain the outmoded methods of the past, House Bill 510 does NOT tie up large blocks of acreage with one well; it does not affect any wells already drilled or reservoirs already developed; it does not take away the landowner's bargaining power or change the terms of any lease except to the extent necessary to form a drilling block. House Bill 510 would merely give all landowners an opportunity to have their properties developed when some owners cannot be located or one owner seeks to obtain an unfair advantage. The rights of all would be EQUALLY protected.

Ask your Senator and Representative at Austin to support House Bill 510 — so Texas, too, will have a reasonable and legal way to assure each landowner his FAIR SHARE.

to some serious questions. Perhaps you
find yourself pausing to take stock of
your life and groping for direction.

The Church of the Living God tells the
truth about man's life, death, and
destiny. The truths learned there
will set you free to live a more
abundant, meaningful, and
creative life. "And ye
shall know the truth and
the truth shall make
you free."

John 8:32.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

PIPER PATTER

by O. H. WEAVER JR

Hamlin took four first place honors in the district University Interscholastic League contest held in Ballinger, Saturday, March 30.

In the number sense contest Mark Smith placed first with a score of 150. Connie Jo Duncan placed third in the number sense contest.

Bill Dean, Hamlin Sophomore, won the science contest with a score of 105. Mark Smith placed second.

In persuasive speaking Jack Townley won first. He spoke on the topic of "Foreign Aid." Jeanette Ballard placed second. Lewis Lawlis, reading the

poem by Robert Browning, "My Last Duchess," placed first in poetry interpretation. Kathy Hallmark won fourth place in this event.

The spelling team composed of David Bingham and Kay McCoy placed second.

In shorthand Sandra Jayroe placed fourth and Joyce Bingham placed sixth.

Gary Jay won sixth in the typing contest.

Four high school students modeled at a show Saturday night in Anson sponsored by Graves and Neville Store. These girls were Elizabeth Cunningham, Carolyn and Marolyn Reynolds, and Sue Johnson. Carolyn placed second in the senior division. She modeled a beige wool flannel two piece costume with plaid wool trim on front of the jacket. The garment was made as a home project for Homemaking II

class.

The FHA will sponsor a bake sale Saturday, April 6, from 6 until 12.

Monday night April 1 the Hamlin FFA Chapter was host to the Hamlin FFA Chapter in a meeting in the school cafeteria and old gym. Relay games were enjoyed by all. Refreshments were served after the games to the sixty people in attendance.

County Agent To Attend Wheat Study Meeting

County Agent Kirby Clayton and co-workers from some 20 other wheat producing counties will meet in Abilene on Monday afternoon, April 8, to obtain detailed information on the approaching wheat referendum.

Similar meetings will be held in six other Texas cities, all conducted by a panel of A&M College specialists headed by John E. Hutchinson, director of the Texas Agricultural Extension Service. In this series of meetings, agents will receive training and material which will prepare them to conduct needed educational programs that are designed to acquaint producers with all aspects

LEAFLET ON TORNADOES NOW READY

Austin — "If spring comes, can tornadoes be far behind?"

Texans can appreciate the paraphrase of Shelley's poem. In the past two years, the U. S. Weather Bureau tallied 253 tornadoes and 383 other severe storms which resulted in millions of dollars of property damage, 85 deaths and 668 injuries.

With tornado season soon to be in full swing, the Office of Defense and Disaster Relief of the Texas Department of Public Safety has issued a special leaflet containing safety information for coping with these destructive storms. Titled "Tornado Precautions," the leaflet details procedures to follow when tornadoes threaten, whether in open country, in cities and towns, schools, factories or industrial plants. Knowing a few basic rules of what to do when a tornado is approaching may mean the difference between life and death.

The leaflet also contains descriptive material on occurrence, frequency and weather conditions most apt to produce tornadoes.

Free copies of the special leaflet can be obtained through local civil defense directors and from the Office of Defense and Disaster Relief, Texas Department of Public Safety, in Austin.

Sixth Grade Band Has Tie for Award

Bill Johnson and Sharon Townley tied for sixth grade first chair of the month at the competition last week. Others in the contest were Joey Duncan, saxophone; Jane Hymer, snare drum; Sheree Nail, flute; and Mike Young, trombone.

Bill, son of Mr. and Mrs. W. T. Johnson, plays the cornet and Sharon, daughter of Mr. and Mrs. Jack E. Townley, plays the clarinet.

Charlie Shira Wins Band Award

Charlie Shira was selected first chair of the month for the fifth grade band last week. He competed with other first chair students to receive the honor. Others and their instruments were Gary Smith, cornet; Mary Jane Wallace, clarinet; Mike Owen, snare drum; Jan Young, flute; and Patricia Feagan, alto sax.

Charlie, son of Mr. and Mrs. Bill Shira plays the trombone.

Cotton Knitwear Now Shrinkage Controlled

By Mary Y. Newberry
Jones County HD Agent

Here's news about Knitwear. Cotton knitwear consumers can look forward to longer-wearing garments as a result of a recently-licensed shrinkage-control procedure that guarantees less than one per cent shrinkage.

When compared with present knitwear, shrinkage tolerances that run up to 20 per cent and more when line or machine-dried, this new development makes shrinkage control in knitwear comparable to that in woven fabrics, researchers with the National Cotton Council, explain. Not only will it allow customers to purchase the proper size for immediate fit, but it assures continued fit for the life of the garment.

Manufacturers claim that the garments remain fresh and new looking through repeated launderings. To date, at least 19 manufacturers have been licensed to use the process.

The consumer may be interested to know that because of a new finishing process, all cotton garments with wash and wear properties and durable creases and pleats soon may be seen on the market.

Literary Club To Meet Friday

JENKINS-WILLIAMS VOWS READ IN HOME CEREMONY

Mr. and Mrs. Roy Glen Williams are making their home in Hamlin following their marriage here Thursday, Mar. 21. The bride is the former Jeanette Jenkins, daughter of Mr. and Mrs. Chester A. Jenkins. The bridegroom is the son of Mr. and Mrs. Glen Williams.

The wedding was held at 7 p.m. in the home of the bride's parents with the Rev. Vernon Mayfield, pastor of the Sagerston Methodist Church, officiating for the double ring ceremony.

Attendants were Martha Jordan and Doug Butler, Mary Dell Jenkins, sister of the bride, was ring bearer.

Given in marriage by her father, the bride wore a street length dress of white eyelet embroidered cotton. The fitted bodice was fashioned with scalloped neckline and elbow length sleeves. Her white hat held a shoulder length veil. She carried an arrangement of white feathered carnations.

The maid of honor wore a street length dress of aqua cotton designed with full skirt, boat neckline and elbow length

sleeves. She carried a nosegay of white carnations.

The reception followed the ceremony. The bride's table was covered with a lace cloth. Crystal and silver appointments were used. Mrs. Muri Williams, aunt of the bridegroom, and Mrs. Audrey Hodnett, aunt of the bride, served.

For traveling the bride wore a black and white knit two piece suit with white accessories. Her corsage was from her bridal bouquet.

The former Miss Jenkins was graduated from Hamlin High School in 1962. She was a member of the National Honor Society and played basketball four years. She is attending Seagovins Beauty School in Abilene.

Williams played football during high school and was graduated from here in 1959. He is now employed by the Celotex Corporation.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Some spotted showers fell out this way Friday and Saturday night, the heaviest being over around the Plainview store Friday night. Then Saturday night four tenths of an inch fell in the vicinity of the church, enough to make the roads off the highway slick enough that two ladies we know of had to pull off bare foot and walk in home from the pavement. The weatherman is promising us more rain today, but we just hope that it isn't an April Fool trick.

We are glad to report that Mrs. E. A. Henry was able to be taken home last Friday and is doing as well as could be expected under the circumstances, since she received word that day of the death of her sister, Mrs. Jim Norman of Rule, Mrs. Norman had been ill for some time, and her death was not unexpected, but Mrs. Henry did not get to at-

tend the funeral services Saturday afternoon in Rule, which made it very sad for her.

Mr. and Mrs. H. L. Ford visited with Mr. and Mrs. Flavel Holmes last Tuesday night.

Winifred (Sonny) Joiner spent last Friday night with Mr. and Mrs. Elmer Joiner on the way to Lubbock, where he was to join his sister, Mr. and Mrs. Henry Kee, for a trip to Virginia Beach, Virginia, to visit their daughter and family, Mr. and Mrs. Delbert Martin, Dale, Marlin Wayne and Brian Keith.

Linda Goodwin attended a party at the Oil Mill Guest House Friday night, given by Sammy Hester.

Mr. and Mrs. Warren Henry, Lubbock, spent Friday and Saturday with his brother, Mr. and Mrs. E. A. Henry.

Mr. and Mrs. Fred Rosenbaum visited with W. L. Fletcher Sr. Sunday afternoon. Mr. Fletcher has been real sick but is recovering enough to be up and around again. He is in the nineties and unusually active for his age.

Mr. and Mrs. Winson Gray were visitors of Mr. and Mrs. Woodrow Goodwin and Linda Sunday afternoon.

Sunday afternoon visitors of the Elmer Joiners were Mr. and Mrs. Runt McCoy.

Rev. Derrel Lewis and family took dinner with Mr. and Mrs. Flavel Holmes Sunday.

Mr. and Mrs. Joe Ford took dinner with their son, H. L. and family, Sunday, then they all went to Lueders Sunday afternoon to visit with Mr. Ford's brother, J. C.

Melvin Follis, Lubbock, ate lunch with the Derrel Lewis family last Tuesday. Mr. Follis is a former business associate

of the pastor.

Mr. and Mrs. Jack Wright and children, Mr. and Mrs. Bill Johnson, went to Rotan Thursday night to help D. J. Lewis celebrate his birthday, by helping him eat his cake.

Rena Joe White was a visitor in church Sunday morning. She was only visitor in Sunday services.

Mid week services are still being well attended, having 22 last Wednesday night. We urge anyone interested in singing gospel songs to come meet with us, you will receive a hearty welcome.

Holding Revival

The Rev. James (Pokie) Woods, former resident of Hamlin, will be preaching a revival April 7-14 in Aspermont at the Central Baptist Church, of which he is pastor.

Morning services will be at 10 o'clock and the evening worship at 7:30.

NINE CASES SET FOR TRIAL IN 104TH DISTRICT COURT

Four criminal and five civil cases are set for trial by Judge Owen Thomas in 104th District Court at Anson, for the week starting Monday. Two of the criminal cases charge theft and two charge burglary.

Servendo Garza will be tried on an indictment charging burglary of the George Ashburn place, and J. B. Hambrick will be tried for burglary of the S. O. Bow home.

Robert L. Malone and Paul Grosson are charged with theft of 1740 pounds of pipe protectors from Marvin Lorenz.

NEW NYLON WHITEWALLS WITH TUFSYN...2 for ONLY

\$37.90

No trick to it—switch those worn, dangerous casings for rugged new Goodyear white-walls. These All-Weather tires are rugged for three reasons. First, because there is new, longer mileage Tufsyn in the tread. Second, because of 3-T Nylon cord, which has been Triple-Tempered to give the tire strength where it counts... on the road. And Third, because of their proved performance—performance measured by thousands of car owners who have enjoyed millions of safe, carefree miles of driving.

Not Sure You Need New Tires?

Perhaps your present tires still have plenty of mileage left. But to make sure, why not drive in and let our tire experts give your tires a quick check?

This service is yours absolutely FREE

These Tires are Guaranteed Nation-Wide in Writing for 18 Months.

NATION-WIDE ROAD HAZARD AND QUALITY GUARANTEE—All New Goodyear Auto Tires Are Guaranteed Nation-Wide: 1. Against normal road hazards—i.e., blowouts, fabric breaks, cuts—except repairable punctures. Limited to original owner for number of months specified. 2. Against any defects in workmanship and material without limit as to time or mileage. Goodyear tire dealers in the U.S. or Canada will make adjustment allowance on new tire based on original tread depth remaining and current "Goodyear price."

OLD GLORY...

By SHARON LEVERETT

Phone 3958

From half to three inches of rain has been recorded in the community so it appears to be very spotted, but every drop was needed and there was very little run-off. It is gratifying to breath clean atmosphere again and to see puddles of water standing around. Every little plant seems to have gone on a

growing spree already. Two cows were killed — one owned by "Purvie" Flowers; another by Mich Myers.

Mr. and Mrs. T. W. Jennings and Tim, who reside on the "Peewee" Flowers ranch southwest of Old Glory have returned from Olney where they attended the funeral of Mrs. Jennings mother, Mrs. J. W. Martin succumbed on Thursday afternoon in her home

where she lived alone. A daughter who lives in the area discovered her mother who apparently died peacefully during a nap. The T. V. was still on. The doctor thought she had been dead about two hours when discovered. She would have been 70 in April. She had been in poor health for a number of years having, among other diabetes. We extend our sympathy to Mrs. Jennings and her family members left to mourn their mother.

Beta Chi Chapter of Delta Kappa Gamma will meet Saturday night at 7:30 in Haskell. Mrs. Gordya Jarvis of Brownwood, State Vice President of the Texas Business and Professional Women's Clubs will speak on "We Each Must Serve." Mrs. Artie Mae Burkell of Haskell is program director.

The Old Glory Variety Club met last week in the home of Mrs. Katie Gerloff. Games of "Canasta" and "42" were enjoyed by the eleven members and one visitor present, Mrs. Cliff Gholson. Mrs. John Duncan, vice president, presided in the absence of the President, Mrs. H. B. Dugan. The next meeting will be in the home of Mrs. Charlie Letz on Tuesday, April 9 at 2 p.m.

Ansel Sawyers, incumbent, is not seeking re-election for the Old Glory School Board. Seeking his post as trustee is Mick Myers. Milton Dudensing whose term also expires, is seeking re-election in the Saturday election.

The seven man board at Old Glory is headed by Garret Spitzer as president and C. T. Pierce as secretary. V. R. Leverett is superintendent. The election will be held at the School Cafeteria from 7 a.m. to 7 p.m. Saturday, April 6.

Dalton Gill, math teacher, has been notified that he will receive a \$720.00 grant-in-aid from the National Science Foundation for summer work. He will attend an eight-week Summer Institute for Science and Math teachers, beginning on June 10, at the Oklahoma State University at Stillwater, Oklahoma. Congratulations Mr. Gill. Your summer should be both profitable and pleasant.

The third in the series of Homemaking meals ran off smoothly last Wednesday evening. The meal started at 5 in order to be completed before church time. The meal featured creamed tuna in cornbread ring and buttered green peas in a chutney ring. The buffet table was indeed colorful. Dessert was German chocolate cake with orange Jello whip. The meal was primarily to honor the seniors and their sponsor. That group included Sharon Leverett, Sophia Vargas, Billie Ann Vahlenkamp, Kenny Spitzer, John Hunt and Tim Jennings, and Mr. and Mrs. Tom Pritchard. Others attending as guests were Stanley Diers, Mr. and Mrs. Dalton Gill, Mr. and Mrs. Jerry Johnston and Shane, Mr. and Mrs. L. B. Boles, and Mr. V. R. Leverett. Chairman for this meal were Cynthia Letz and Nancy Vahlenkamp. The last meal will be Friday evening and will honor the mothers of the girls in the class; also the mothers of the Homemaking I girls who will also help with the meal preparation. Other special guests will include women teachers and school personnel who have not been included in any of the other meals.

Regina Letz, Weldon Spitzer and Steve Letz are the Picture Memory team from Old Glory. They will participate in the L. L. events at Hawley Friday.

Tennis had to bow out for a few hours when the Old Glory Volley Ball teams participated in the District Inter-scholastic League event at Noodle. On Thursday afternoon the High School Girls, and Grade School Boys and Girls teams won; the boys lost to McCaulley. Returning on Friday the teams were all defeated by the opposing Eula.

Friday afternoon and Saturday were busy times for the tennis players though. One group played in the Abilene Invitational and the other group played in a Winters Round Robin which was also invitational. Stephanie Letz won first in the Abilene Tournament in the Junior High class; singles, and Larry Flow placed second in the Junior High boys singles. Kenneth Jones and Jimmy Leverett, doubles, defeated their first opponents, Sweetwater, but then were defeated by Lincoln's team. Others participating at Abilene were: Gary Moore and Mike Baldree; and Reva Letz and Judy Sander. Accompanying the group to Abilene were Mrs. Betty Letz, Mrs. Allen Flow and Darlene Whitson. The Winters tournament was entered by Linda Newman, Sharon Le-

erett, Beverly Garner, Merri-lynn Liow, Rhonda Baitz, and Nancy Vahlenkamp. Linda Newman, singles; and Sharon Leverett and Beverly Garner, doubles, all placed first by defeating both Edens and Winters players. Marilyn Flow and Rhonda Baitz were defeated by Eden, but defeated Winters for second place. Mr. V. R. Leverett accompanied the group to Winters.

Mr. and Mrs. John Monroe

of Paint Creek were Sunday guests of Mr. and Mrs. Dalton Gill.

Mrs. Macine Hertenberger is still in serious condition in Hendrick Hospital at Abilene where she has been a patient for several weeks. She and her husband and son, Lane, reside at Rule where Malcomb owns and operates a grocery store.

Mrs. Cecil Klump spent the week end with her parents at Stamford. Mr. and Mrs. J. W.

Wheeler.

Jimmy Newman sustained injuries including a broken wrist and lacerations to his face when he fell getting off of his tractor recently. He also broke his glasses.

Mr. and Mrs. Brad Rowland Jr. and children of Abilene were week end visitors in the home of their parents, Mr. and Mrs. Holly Toler and Mr. and Mrs. Brad Rowland Sr.

YOUR FAIR SHARE

Most Texans, we believe, are fair-minded folks. They believe in fair play, square dealing, and mutual respect for personal and property rights. Those who want to take advantage of their neighbors are the exception.

Sometimes it may be hard to define "a fair share." This can occur in dividing oil or gas production, when two or more landowners are involved. As we all know, oil and gas don't pay any attention to fence lines.

Here in Texas many wells have been allowed to produce more oil or gas than they should have because they were drilled on very small tracts. That extra oil or gas came from under the neighbors' land.

Some oilmen made a regular practice of this type of operation. Obviously, one owner got more than his fair share—others, less.

People in 26 out of 29 oil-producing states have found a way to divide their oil and gas so that each owner gets what is rightfully his. They simply put their small acreage together and share the costs and income. This system is known as POOLING.

Such a system is needed in Texas. It is proposed in a bill now before the Legislature, HOUSE BILL 510. When the neighbors cannot agree, the Railroad Commission would set up a drilling block and see to it that the rights of all owners are protected... all costs and proceeds equitably divided.

Oilmen who have made fortunes at the expense of others could not be expected to support House Bill 510. They are bitterly opposing it. But the responsible oilmen of Texas are overwhelmingly for it. So are the informed citizens who want to see justice done.

Ask your Senator and Representative at Austin to support House Bill 510 — so Texas, too, will have a reasonable and legal way to assure to each landowner his FAIR SHARE.

(This ad paid for by Committee for Equitable Development of Texas Oil & Gas Resources, 341 Melville Esperson Building, Houston 2.)

Week end visitors in the home of Mr. and Mrs. W. Wallace and Christy were Mr. and Mrs. M. C. McKinley and children of Stamford and Mr. and Mrs. Bill Mancill of Midland.

Years Ago...

FORTY YEARS AGO

Former District Attorney, Joe C. Randel died at three o'clock Thursday morning after being shot through the head Wednesday afternoon, across the river, 12 miles north of Hamlin. The Judge was returning from Aspermont in a car with C. T. Clark, his son Virgil and S. P. Rudder. When they reached the cedar brakes and were just turning over a small hill North of the Brazos River two shot reports were heard and the occupants of the car thought a blow out had happened and Clark threw on his brakes and Rudder was about to get out when the younger Clark noticed Judge Randel lean forward with blood dripping from his head. They hurried on into Hamlin and then rushed Randel to the Stamford hospital. He died early Thursday morning. The assassin is not known at this time but every effort is being made to find the killer.

TWENTY-FIVE YEARS AGO

Gaylon Robertson and wife of Lueders were over Sunday to visit their parents, Mr. and Mrs. T. C. Robertson. They were accompanied by Mr. and Mrs. Keith of Lueders. Secretary W. E. Benson of the Hamlin Chamber of Commerce last Wednesday and Thursday attended the West Texas Chamber of Commerce Managers Association convention at Big Spring. M. T. York of Hamlin has purchased his second Oklahoma store at Sayre. He now has 15 stores in West Texas and Oklahoma. Dr. Turner Bynum is back in Hamlin among his friends after an absence of many weeks due to illness. He is feeling much better but will get further rest before resuming his practice.

FIFTEEN YEARS AGO

More than \$500 was raised this week by Hamlin business men and others to help finance the entry of a Hamlin team in the newly organized semi-pro baseball loop for Central West Texas teams. Also in the loop will be Stamford, Anson, Truay, O'Brien, Rochester, Wientert and Spur-Dickens. Hon. Jeff H. Williams, famous humorist of Chickasha, Okla., will be the speaker at the annual Chamber of Commerce banquet April 6, it is announced by the program committee. Mr. and Mrs. Fed Britton of Hamlin attended the annual convention of the Texas and Southwestern Cattle Raisers Association last week in El Paso. The major topic at the meeting was the foot and mouth disease.

TEN YEARS AGO

Pipe for the 21 mile Stamford to Hamlin water line is being put on the ground along the right away, according to Mayor B. M. Brundage. The line is scheduled to be completed about May 1. Hamlin Boy Scout Troop No. 43 won second place in district contests staged last week end at the Camporee on the Brazos River near Lueders. J. B. Terrell Jr. was elected president and Gene Witt secretary of Hamlin Rotary Club in balloting of the civic group. More showers fell in the Hamlin territory this week to bring the years total to 158 inches.

WHAT IS POOLING ?

In spite of all the jokes about "oil-rich Texans," most Texans aren't rich. Relatively few of them have even one oil well.

All Texans have a stake in the oil business, however, because it makes jobs, puts money into circulation, and pays taxes.

Texas oil operators have to compete with those in other states and foreign countries. This competition is tough and growing tougher. Improvements in production methods for greater efficiency are necessary in Texas. It is a question as to whether Texans prefer to do this job themselves or let the federal government do it.

Many of the most responsible people in the oil industry believe the Texas Legislature can solve some of the most troublesome problems by passing House Bill 510, an oil and gas pooling bill. "Pooling" in oil field language simply means putting separately-owned pieces of acreage together, sharing costs of drilling a well, and splitting any income proportionately.

A fair pooling law would create drilling blocks of uniform and proper size (according to the spacing pattern of the field). It would help the industry to cut down on unnecessary development drilling and thus free capital for more "wildcat" drilling. It would provide a legal way for landowners to divide their minerals in proportion to their holdings.

An outcry has been raised against House Bill 510 by the professional "small-tract drillers," who for many years have enjoyed the legal sanction to produce oil and gas which rightfully belonged to someone else. Advocates of pooling do NOT think that property rights should be confused with the "right" to take another man's property — or that free enterprise should cover the FREE CONFISCATION of another's oil and gas.

Contrary to claims of persons who, for reasons of their own, want to retain the outmoded methods of the past, House Bill 510 does NOT tie up large blocks of acreage with one well; it does not affect any wells already drilled or reservoirs already developed; it does not take away the landowner's bargaining power or change the terms of any lease except to the extent necessary to form a drilling block. House Bill 510 would merely give all landowners an opportunity to have their properties developed when some owners cannot be located or one owner seeks to obtain an unfair advantage. The rights of all would be EQUALLY protected.

Ask your Senator and Representative at Austin to support House Bill 510 — so Texas, too, will have a reasonable and legal way to assure each landowner his FAIR SHARE.

I need the Answers to some SERIOUS QUESTIONS

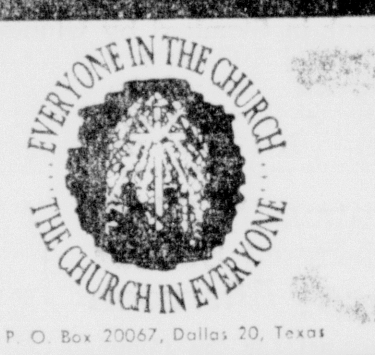

Why am I here? What shall I do
with my life? Where am I going?

This young man is at the threshold of
his adult life and needs the answer
to some serious questions. Perhaps you
find yourself pausing to take stock of
your life and groping for direction.

The Church of the Living God tells the
truth about man's life, death, and
destiny. The truths learned there
will set you free to live a more
abundant, meaningful, and
creative life. "And ye
shall know the truth and
the truth shall make
you free."

John 8:32.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

PIPER PATTER

by O. H. WEAVER JR

Hamlin took four first place honors in the district University Interscholastic League contest held in Ballinger, Saturday, March 30.

In the number sense contest Mark Smith placed first with a score of 150. Connie Jo Duncan placed third in the number sense contest.

Bill Dean, Hamlin Sophomore, won the science contest with a score of 105. Mark Smith placed second.

In persuasive speaking Jack Townley won first. He spoke on the topic of "Foreign Aid." Jeanette Ballard placed second. Lewis Lawlis, reading the

poem by Robert Browning, "My Last Duchess," placed first in poetry interpretation. Kathy Hallmark won fourth place in this event.

The spelling team composed of David Eingham and Kay McCoy placed second.

In shorthand Sandra Jayroe placed fourth and Joyce Eingham placed sixth.

Gary Jay won sixth in the typing contest.

Four high school students modeled at a show Saturday night in Anson sponsored by Graves and Neville Store. These girls were Elizabeth Cunningham, Carolyn and Marilyn Reynolds, and Sue Johnson. Carolyn placed second in the senior division. She modeled a beige wool flannel two piece costume with plaid wool trim on front of the jacket. The garment was made as a home project for Homemaking II

class.

The FHA will sponsor a bake sale Saturday, April 6, from 6 until 12.

Monday night April 1 the Hamlin FFA Chapter was host to the Hamlin FFA Chapter in a meeting in the school cafeteria and old gym. Relay games were enjoyed by all. Refreshments were served after the games to the sixty people in attendance.

County Agent To Attend Wheat Study Meeting

County Agent Kirby Clayton and co-workers from some 20 other wheat producing counties will meet in Abilene on Monday afternoon, April 8, to obtain detailed information on the approaching wheat referendum.

Similar meetings will be held in six other Texas cities, all conducted by a panel of A&M College specialists headed by John E. Hutchinson, director of the Texas Agricultural Extension Service. In this series of meetings, agents will receive training and material which will prepare them to conduct needed educational programs that are designed to acquaint producers with all aspects.

LEAFLET ON TORNADOES NOW READY

Austin — "If spring comes, can tornadoes be far behind?"

Texas can appreciate the paraphrase of Shelley's poem. In the past two years, the U. S. Weather Bureau tallied 253 tornadoes and 383 other severe storms which resulted in millions of dollars of property damage, 85 deaths and 668 injuries.

With tornado season soon to be in full swing, the Office of Defense and Disaster Relief of the Texas Department of Public Safety has issued a special leaflet containing safety information for coping with these destructive storms. Titled "Tornado Precautions," the leaflet details procedures to follow when tornadoes threaten, whether in open country, in cities and towns, schools, factories or industrial plants. Knowing a few basic rules of what to do when a tornado is approaching may mean the difference between life and death.

The leaflet also contains descriptive material on occurrence, frequency and weather conditions most apt to produce tornadoes.

Free copies of the special leaflet can be obtained through local civil defense directors and from the Office of Defense and Disaster Relief, Texas Department of Public Safety, in Austin.

Sixth Grade Band Has Tie for Award

Bill Johnson and Sharon Townley tied for sixth grade first chair of the month at the competition last week. Others in the contest were Joey Duncan, saxophone; Jane Hymen, snare drum; Sheree Nail, flute; and Mike Young, trombone.

Bill, son of Mr. and Mrs. W. T. Johnson, plays the cornet and Sharon, daughter of Mr. and Mrs. Jack E. Townley, plays the clarinet.

Charlie Shira Wins Band Award

Charlie Shira was selected first chair of the month for the fifth grade band last week. He competed with other first chair students to receive the honor. Others and their instruments were Gary Smith, cornet; Mary Jane Wallace, clarinet; Mike Owen, snare drum; Jan Young, flute; and Patricia Feagan, alto sax.

Charlie, son of Mr. and Mrs. Bill Shira plays the trombone.

Cotton Knitwear Now Shrinkage Controlled

By Mary Y. Newberry

Jones County HD Agent

Here's news about Knitwear. Cotton knitwear consumers can look forward to longer-wearing garments as a result of a recently-licensed shrinkage-control procedure that guarantees less than one per cent shrinkage.

When compared with present knitwear, shrinkage tolerances that run up to 20 per cent and more when line or machine-dried, this new development makes shrinkage control in knitwear comparable to that in woven fabrics, researchers with the National Cotton Council, explain. Not only will it allow customers to purchase the proper size for immediate fit, but it assures continued fit for the life of the garment.

Manufacturers claim that the garments remain fresh and new looking through repeated launderings. To date, at least 19 manufacturers have been licensed to use the process.

The consumer may be interested to know that because of a new finishing process, all cotton garments with wash and wear properties and durable creases and pleats soon may be seen on the market.

FAIRVIEW NEWS

Some spotted showers fell out this way Friday and Saturday night, the heaviest being over around the Plainview store Friday night. Then Saturday night four tenths of an inch fell in the vicinity of the church, enough to make the roads off the highway slick enough that two ladies we know of had to pull off bare foot and walk in home from the pavement. The weatherman is promising us more rain today, but we just hope that it isn't an April Fool trick.

We are glad to report that Mrs. E. A. Henry was able to be taken home last Friday and is doing as well as could be expected under the circumstances, since she received word that day of the death of her sister, Mrs. Jim Norman of Rule. Mrs. Norman had been ill for some time, and her death was not unexpected, but Mrs. Henry did not get to at-

Mr. and Mrs. Jack Wright and children, Mr. and Mrs. Bill Johnson, went to Rotan Thursday night to help D. J. Lewis celebrate his birthday, by helping him eat his cake. Rena Joe White was a visitor in church Sunday morning. She was only visitor in Sunday services.

Mid week services are still being well attended, having 22 last Wednesday night. We urge anyone interested in singing gospel songs to come meet with us, you will receive a hearty welcome.

Holding Revival The Rev. James (Pokie) Woods, former resident of Hamlin, will be preaching a revival April 7-14 in Aspermont at the Central Baptist Church, of which he is pastor.

Morning services will be at 10 o'clock and the evening worship at 7:30.

Mr. and Mrs. Warren Henry, Lubbock, spent Friday and Saturday with his brother, Mr. and Mrs. E. A. Henry.

YOUR FAIR SHARE

Most Texans, we believe, are fair-minded folks. They believe in fair play, square dealing, and mutual respect for personal and property rights. Those who want to take advantage of their neighbors are the exception.

Sometimes it may be hard to define "a fair share." This can occur in dividing oil or gas production, when two or more landowners are involved.

As we all know, oil and gas don't pay any attention to fence lines.

Here in Texas many wells have been allowed to produce more oil or gas than they should have because they were drilled on very small tracts. That extra oil or gas came from under the neighbors' land.

Some oilmen made a regular practice of this type of operation. Obviously, one owner got more than his fair share—others, less.

People in 26 out of 29 oil-producing states have found a way to divide their oil and gas so that each owner gets what is rightfully his. They simply put their small acreage together and share the costs and income. This system is known as POOLING.

Such a system is needed in Texas. It is proposed in a bill now before the Legislature, HOUSE BILL 510. When the neighbors cannot agree, the Railroad Commission would set up a drilling block and see to it that the rights of all owners are protected... all costs and proceeds equitably divided.

Oilmen who have made fortunes at the expense of others could not be expected to support House Bill 510. They are bitterly opposing it. But the responsible oilmen of Texas are overwhelmingly for it. So are the informed citizens who want to see justice done.

Ask your Senator and Representative at Austin to support House Bill 510 — so Texas, too, will have a reasonable and legal way to assure to each landowner his FAIR SHARE.

Don is the junior high coach and his parents attended a track meet in Alpine where his team participated. Mrs. Adair said they traveled through a lovely rain for about 40 miles near Alpine. She only wished they could have brought some of it home with them.

The Rev. J. P. Cole, retired Methodist minister from Stamford, preached at the morning worship hour Sunday in Faith Methodist Church. The pastor, the Rev. Fred Brown, was ill with flu.

Mr. and Mrs. Bootz Gordon and their two children, former residents of Hamlin, have moved from Sonora to Fort Worth.

A. L. Gamble is a new subscriber of the Hamlin Herald. Edgar Duncan has the flu for the second time this year.

Dan Gallagher and Gene Knabel were top players at the Duplicate Bridge Club meeting Tuesday evening. Mrs. Jack Russell and Mrs. Knabel were second place winners while Mr. and Mrs. Cliff Reynolds Jr. placed third.

Mr. and Mrs. Willie Alls visited over the week end with Mr. and Mrs. Gran Huff and Gail in Abilene.

Thirty boys from Hamlin's Troop 43 were among the troops of the Chisholm Trail Council at the week end camp out at Fort Griffin. Local adult leaders accompanying the group were J. O. Murphy, Floyd Smith and Gerald Young.

If everyone could travel as economical as Watts Fletcher, manager of the Hamlin Farmers Coop Gin, we might all be able to take more trips. Last week he flew from Lubbock to Montgomery, Ala., spent two days and flew back to Lubbock and all it cost him was 5c. He bought a paper. He and approximately 40 other ginners were guests of the
